STOPit is a platform that our school has adopted in order to deter, mitigate, and manage bullying, cyberbullying, and other harmful or inappropriate behavior.

Please join us at this important parent/guardian presentation to learn more about:

- What STOPit is and why we chose STOPit to bolster our anti-bullying strategy.
- What STOPit means for our students and our school community.
- What "cyberbullying" is and how STOPit will help protect your kids.
- How you can help this new initiative be a success.
- Answers to your questions.

STOPit is the leading technology company providing a comprehensive software platform that mitigates, deters and controls bullying, including cyberbullying, harassment and other harmful or inappropriate conduct. The STOPit platform is available to schools, universities, businesses and governments both in the United States and around the world. The STOPit mobile app is a simple, fast and powerful tool which empowers individuals to protect themselves and stand up for others online, on social media, in the classroom or in the office. DOCUMENTit, a robust incident management system, empowers administrators and management to get in front of issues to mitigate risk and adhere to the ever evolving compliance landscape.
